Nefesh B'Nefesh Services

Nefesh B'Nefesh aims to ease the financial burden associated with Aliyah by providing a financial buffer for Olim and helping supplement the requisite relocation expenses, thereby alleviating the somewhat prohibitive costs of Aliyah. We provide support to our Olim both before and after their Aliyah for employment, social services and government assistance, in order to help make their Aliyah as seamless and successful as possible. Below is a brief description of the services and resources available to Olim.

Financial Aid

The financial commitment of pilot trips, securing a home, acquiring and shipping household appliances and furnishings can be challenging. To obviate these fiscal obstacles, Nefesh B'Nefesh provides financial assistance to eligible individuals and families to enable them to make their dream of Aliyah a reality.

Pre-Aliyah

Our Pre-Aliyah Department assists Olim in all areas of their Aliyah planning. Our expert Pre-Aliyah staff answer all questions regarding the Aliyah process. This department is also responsible for grant allocations and for overseeing the application review process.

Employment

Our Employment Department helps Olim who are seeking assistance in finding employment, job retraining, career development, or professional mentoring.

Absorption - Klita

Our Absorption Department is ready to assist Olim with questions regarding Oleh benefits, government processing, or any other aspect of their absorption. The answers to many frequently asked questions about Aliyah and benefits can be found on our website (see below).

Guidance and Community Resources

Our Guidance and Community Resources Department provides guidance or referrals in matters of education, community, summer programs, ulpanim and physical or mental health. It also assigns buddy families to help Olim in the initial stages of their klita.

Online Resources

NBN Website: We are constantly updating our website with Aliyah resources, contacts and useful information and links. Find us at **www.nbn.org.il**

NBN Yahoo Group: We have set up a Yahoo discussion group for our applicants and veteran Olim for exchanging advice, contacts and community information. To sign up, email: **nefeshbnefesh-subscribe@yahoogroups.com**

NBN Singles Yahoo Group: There is a unique Yahoo group specifically for Single Olim: To sign up, email: **nbnsingles-subscribe@yahoogroups.com**

Eligibility for Guided Aliyah

Before applying for Guided Aliyah please read the following guidelines to confirm that you are eligible to participate in the Guided Aliyah program.

Applicants must be citizens of the United States or Canada and hold valid passports from one of these two countries.

If you have:

- Converted to Judaism in Israel
- An Israeli passport or were born abroad to an Israeli parent
- A birth certificate from the former Soviet Union or Eastern Bloc
- Renounced Israeli citizenship at any time in the past
- Previously been convicted of a crime

Misrad Hapnim guidelines dictate that you CANNOT be processed through the Guided Aliyah program. In order to apply for Nefesh B'Nefesh assistance, please download and submit an Aliyah via Misrad Hapnim application and contact your local branch of Misrad Hapnim to schedule an appointment to begin the Aliyah process.

If you converted to Judaism in North America:

Misrad Hapnim policy requires that you must reside in the community in which you converted for a period of at least one year before being eligible to make Aliyah.

If you are applying for Aliyah with a newborn child

recently born in Israel (who was not registered as an Israeli citizen at the time of their birth) you will have to have a US, Canadian or UK passport issued for that child before submitting your application.

If your spouse is an Israeli citizen, and you have children born abroad, please contact our Absorption Department in order to clarify whether or not your children are considered Israeli citizens and to determine if they are eligible to participate in the Guided Aliyah program.
