MAKES ALIYA —**
Alyssa Ginzburg, 28, from Mendota Heights, arrives at Israel's Ben-Gurion Airport as part of the final aliya flight in 2007 by the Nefesh B'Nefesh organization. Ginzburg, who will be taking up residence in Jerusalem, was joined on the flight by 190 other new immigrants from the U.S. and Canada. Over the course of 2007 alone, more than 3,000 North American and British Jews immigrated to Israel through Nefesh B'Nefesh, on eight specially chartered planes and eight aliya group flights.
