

## Required Documents – Dentistry

Here is a list of the documents required in order to open a file with the Medical Professions Licensing Department:

- 1 passport photo**
- A copy of your **Israeli identification card**, including the attachment showing your address, if applicable (if you don't have it yet, a copy of your current passport).
- Questionnaire for Health Care Professionals.
- Application Form for taking the dental licensing examinations.
- Final diploma** in dentistry from a recognized university *or* a confirmation of graduation from the university, completion of all requirements to the university and eligibility for a diploma in the profession that will be awarded at a certain time.
- Official **confirmation of the dates of starting and graduating from studies**. If the studies were conducted at more than one institute, provide official confirmations on the chronology of the studies and the courses taken in each institute.
- Valid dentistry license**.
- Official **proof of work history** from the appropriate medical institutions, stating the start and end date of employment at each institution.
- Professional **Certificate of Good Standing** from the authority authorized to issue this in the state you are licensed. The certificate states that there are not and were not any disciplinary, negligence or professional ethics complaints against the applicant. **To be mail directly from the medical board of the state in which you are licensed to the Israeli Ministry of Health.**
- 

### Documents for exemption from the licensing exam

- A letter from an employer(s) proving 5 years of work experience within the last 7 years, official work permits from the appropriate medical institutions, and indication of the start and end date of work at each institution.
- Proof that your license has been continuously registered with the relevant authorities for the 5 years prior to making the request for exemption.
