

Required Documents – Pharmacy

Here is a list of the documents required in order to open a file with the Medical Professions Licensing Department:

- 1 **passport photo**
- 1 Photocopy of your **Israeli identification card**, including the attachment showing your address, if applicable (if you don't have it yet, a copy of your current passport).
- Questionnaire for Health Care Professionals**
- Application Form** to take the government licensing examination for pharmacists.
- Matriculation certificate**
- Final degree** from a recognized university, or a certification from the university that you have completed your studies and have fulfilled all requirements to be eligible for a degree in pharmacology, which will be awarded at a certain time.
- Declaration that your studies were frontal** and not by correspondence (distance learning)
- Official **confirmation of the studies start and completion dates**
- Official **confirmation of successful completion of internship (960 hours)** and specification of the dates of commencement and completion of the internship and the total number of hours of internship. Alternatively, official certification of at least one year of work as a licensed pharmacist and specification of the date of commencement and date of completion of work in each institution (in relevant cases - an employment record book).
- Valid license.**
- Proof of work history or at least three of the four years prior to your application date (in order to be exempt for the licensing exam and getting a permission for sitting the "Israeli pharmacy law exam").
- Professional **Certificate of Good Standing** from the authority authorized to issue this in the state where you are licensed. The certificate states that there are not and were not any disciplinary, negligence or professional ethics complaints against the applicant. **To be mail directly from the medical board of the state in which you are licensed to the Israeli Ministry of Health.**
