

**Required Documents – Speech Therapy and Audiology**

Here is a list of the documents required in order to open a file with the Medical Professions Licensing Department:

- 1 passport photo**
- Application form for the speech therapy exam
- Questionnaire for Health Care Professionals
- Photocopy of your **Israeli identification card**, including the attachment showing your address (if you don't have it yet, a copy of your current passport).
- Valid license** to practice
- Final degree** in speech therapy communication. Alternatively, a certification from the university of completion of studies and fulfillment of all obligations to the university for eligibility for a degree in this profession, which will be awarded at a certain time. **Note:** The Ministry of Health does not recognize studies in the medical professions studied entirely or partially by correspondence (distance learning).
- Official certification of the date that you commenced and completed your studies.**
- An official **certification of having successfully completed internship** (1,000 hours for speech and audiology, 750 for Audiology only and 750 for speech only). Alternatively, documents relating to at least one year of overseas work experience as a speech therapist.
- Professional **Certificate of Good Standing** from the authority authorized to issue this in the state where you are licensed. The Certificate states that there are not and were not any disciplinary, negligence or professional ethics complaints against the applicant. **To be mail directly from the medical board of the state in which you are licensed to the Israeli Ministry of Health.**
